

Industrial Enterprise Application

2016-17 School Year

Name:

Grade:

Cumulative GPA:

Personal Objectives (things I want to learn in Industrial Enterprise)

- 1.
- 2.
- 3.
- 4.

Obtain the following signatures. (Signatures represent a recommendation, an affirmation that you are a strong candidate to participate in this class. Two of the three teacher signatures must be from the core subject areas of science, social studies, English, or math. The third may be from a non-technology education elective)

Student:

Parent:

Core Teacher:

Core Teacher:

Elective Teacher:

Principal:

School Counselor:

NOTE: Students wishing to enroll in Industrial Enterprise are required to attach three documents to their course selection sheets: this application, a professionally word processed cover letter explaining your interest in and qualifications for the class, and a professionally word processed resume which contains all academic and elective courses you have taken and how the knowledge gleaned from those courses can be applied to Industrial Enterprise (examples: business courses, art courses, School Publications, technology education courses, etc.) Students who do not submit all three components when course selection will not be enrolled in the class.
